

# Getting the most out of clinical audit

6 CPD points

09.30 – 16.30 Hours

Wednesday, 14<sup>th</sup> October 2020

Venue:

Virtual Online via MS Teams

Who this is for: SAS doctors

## Educational objectives:

- Build insight into key audit models and approaches
- Build skills into engaging and changing colleagues behaviour to improve relevant aspects of care
- To be able to apply these skills to a local audit project

CPD approval: This programme is subject to 6 CPD points

**About the trainer: Mr Mike Stedman, Director** Over the last 10 years since Res started he has been working with providers, primary care and commissioners NHS organisations to develop performance frameworks, services and business cases. Specialising in analysis, performance and change management. He has covered many therapies including long term conditions, mental health and cancer. He supports organisational development identifying numerous opportunities where individuals, organisations and policies can work together for mutual gain. Mike qualified as an engineer and has worked as operations director in various Unilever companies throughout Europe for over 20 years, balancing quality and costs. He has worked on over 100 SAS & Consultant educational projects including business case development, auditing, data analysis, personal resource management and service performance.
