

Foundation Training Job Description

Grade	F1
Placement	Haematology
Department	Ward 21 is an 18 bedded unit caring for patients with haematological cancers. 5x Consultants, 2x SpR, 1x Staff Grade, 1x CT1/2
The type of work to expect and learning opportunities	You are welcome to come to our outpatient clinics to sit in and learn, or to come to the laboratory to learn blood film and bone marrow morphology.
Where the placement is based	Pinderfields Hospital
Main duties of the placement	You will be working as an FY1 in clinical haematology for 4 months on ward 21. As you will be ward based you will also be looking after medical patients who are staying on the ward. There is a consultant ward round on a Monday morning, and on Thursday mornings we hold our MDT followed by the grand round. For the other days of the week there is a middle grade ward round, so there is plenty of available senior support.
Typical working pattern in this placement	The rota is a 1:14 full shift
Employer	The Mid Yorkshire Hospitals NHS Trust

It is important to note that this description is a typical example of your placement and may be subject to change.
