

Foundation Training Job Description

Grade	F1
Placement	Orthopaedics
Department	General surgery and Elective Orthopaedics
The type of work to expect and learning opportunities	Exposure to acute orthopaedics with a chance to attend the trauma meeting in the morning where the day's admissions are discussed and to attend teaching on Tuesday morning and Wednesday afternoon.
Where the placement is based	Dewsbury and District Hospital
Main duties of the placement	Covering general surgery at Dewsbury and the elective orthopaedic 12 bedded ward on non on call days. This will give broad experience in acute general surgery and elective orthopaedics. There will be a rolling rota to go across to work in Pinderfields orthopaedic wards with supervision from ST/CT trainees within a non on call week. The F1 will have a registrar mentor and a consultant supervisor and will be helped with participation in audit and reflective practice.
Typical working pattern in this placement	1 in 8 shift system covering general surgery at Dewsbury. Rolling rota working in Pinderfields.
Employer	Mid Yorkshire Hospitals NHS Trust

It is important to note that this description is a typical example of your placement and may be subject to change.
