

Will deliver the following course as detailed below:

Advanced Teach the Teacher

Date: 27th and 28th August 2019
Location: Postgraduate Centre, LGI
CPD Points: 12
Times: 9:00am-5:00pm
Facilitator: Gerry Kitchingman

Teaching is about supporting others to develop their knowledge and competence. A good teacher will use a range of techniques to ensure that what and how they teach, recognises the needs of others and meets defined learning and teaching goals. This workshop will explore those skills and with practical scenarios and the chance to practice newly – learnt skills, delegates will enjoy a teaching experience which will be transferrable into their work-place. It also matches the 7 domains of the Academy of Medical Educators and the GMC.

Measurable Aims: At the end of this programme, the delegate can:

- Name 4 ways that accelerated learning enhances teaching experiences
- List and explain the 5 stages in a structured teaching session
- Define the 3 stages of KIM and explain two advantages to the teacher
- Explain 3 methods of feedback in theory and in a practical situation

The Programme Includes:

- Module 1: Accelerated Learning
- Module 2: Planning a teaching experience
- Module 3: Evaluation of teaching effectiveness
- Module 4: Teaching Delivery Skills
- Module 5: Cycle of learning in an outpatient setting
