

Name: Aesha Mohammedi

Job Title: Leadership Clinical Fellow

Supervisor: Dr Jo Mannion

Aims of Post:

1. To continue on a quality improvement project on safety and “situational awareness” on the general paediatric ward at York Teaching Hospitals.
2. To support high quality paediatric inpatient care, creating a culture based on safety by developing communication and team working and family engagement and improving the recognition of the deteriorating child.

Summary of Post:

I have led significant quality improvement projects which improved patient safety and thereby provided great benefits to the trusts. In addition to the ward based projects I also pursued my own interests which developed from the leadership courses I attended.

I gained considerable experience in all aspects of the NHS Healthcare Leadership Model through inspiring shared purpose, leading with care, evaluating information, connecting our service, sharing the vision, engaging the team, holding to account, developing capability and influencing for results.

Achievements:

1. PG certificate in Clinical Education:

2. Conferences attended: Future Leaders Programme conference 2017, Patient Safety Conference, Quality Improvement Conference 2017.

3. Presentations

I had oral and poster presentations at patient safety conference 2017 and FLP Conference 2017 respectively. I also had an oral presentation being accepted as a co-author at the RCPCH Annual Conference 2017.

4. Deanery/HEE Projects

Team leader: workshop committee for the 7th Yorkshire Paediatric Annual Conference 2016.

I organised and chaired the MRCPCH part 1 Deanery Course at Hull in 2015/16.

I am currently organising and Chairing the 8th Yorkshire **Paediatric Annual Conference 2017**
