Thursday, 9<sup>th</sup> May 2019

**Venue:**

Education Centre,  
Barnsley Hospital NHS Foundation Trust  
Gawber Rd, Barnsley S75 2EP

**Who this is for:** SAS Doctors

**Educational objectives:**

- Route to becoming a Medical Manager
- Service performance management
- Developing your leadership style

**CPD approval:** This workshop is subject to 6 CPD points per workshop.

**About the trainer: Mr Graham Knight – Senior Res Associate:** Business Consultant, marketer and trainer with more than 15 years' industry experience in healthcare, media and FMCG. Graham has a track-record for delivering successful outcomes and positive change. In the past he has worked with NHS commissioning and provider organisations, local authorities, GP and dental practices, networks, universities, GP Federations, multinational retail and business to business organisations, independent healthcare providers and media production houses. He has a special interest in health and social care recently leading new service development projects that focus on delivering quality and productivity through integration and new models of care. He is also a skilled trainer, having worked with universities and NHS postgraduate education centres to design and deliver MBA-level courses on medical management topics, including: ethics, project management, leadership, negotiation, reflective practice and avoidable adverse outcomes. His training programmes are designed to deliver real-life outcomes and change in the working styles of the professional groups that attend.
