

# **“Becoming a Radiology Consultant”**

**Monday 27 June 2022, Airedale General Hospital**

*A day of workshops designed for senior radiology trainees to gain an insight into issues faced when transitioning into a Radiology Consultant.*

The day will be largely workshop based with a maximum of 14 delegates and is aimed at trainees within 18 months of CCT. The course is now in its 3rd year and has been very highly rated by previous trainees and will be face to face this year. There are only a small number of delegates on this course to facilitate interaction and the opportunity for you to personalise the output to your needs. This is a great opportunity for you to be able to ask the questions you've not yet dared to ask about consultant jobs, or to explore the many considerations that arise when taking this big step.

## **Cost:**

The course will be **free** to attend for all delegates (hopefully food and beverage sponsored by Everlight)

## **Provisional Programme**

### **MORNING SESSION:**

#### **How to find the right consultant job**

Panel Discussion followed by workshop carousel

Opportunities to discuss with existing consultants with an interest in research, private practice, working for a private provider (outsourcing), education, part time work, experience of fellowships and management

#### **Hot interview topics and how to prepare for the tricky questions**

### **AFTERNOON SESSION:**

#### **Interview process– what you need to know**

Panel discussion

*Faculty: Dr David Crampsey, Medical Director, Airedale NHS Foundation Trust, Mr Andrew Gold, Chair, Airedale NHS Foundation Trust*

Group and panel discussion

#### **Consultant Contract Issues**

*Nelly Takla– Wright, Industrial Relations Manager, British Medical Association*

#### **Financial considerations of becoming a consultant**

*Lindsay Clarke, Financial Advisor, Chase de Vere*

## **How to register:**

To register please email : [anna.zoltowski@anhst.nhs.uk](mailto:anna.zoltowski@anhst.nhs.uk) providing the following details:

Name:

ST:

Training Scheme:

Approx. CCT date:

Areas of specialist interest:

Dietary requirements

Contact email:

Please note: this course is likely to be very popular and early application is advised to avoid disappointment. Priority will be given to applicants within 18 months of CCT from within the Yorkshire and Humber Deanery. The course runs annually and if your CCT is outside of this time frame, please consider applying next year! Thank you.
