- Attendance at the Basic Laparoscopy Course (YMTP)
- Minimal Access Surgery Module on StratOG (evidence in eportfolio)
- Local Simulator- Login and Password for Lap Sim (See list of units) Self directed simulation sessions (minimum attendance - 5 sessions)
  - Mandatory tasks to complete on the virtual reality (Lapsim) simulator
  - Go to the 'Practice Hall' on the menu
  - Select 'Basic laparoscopic Skills Tasks 1-9' and repeat the tasks at each visit to the simulator
  - Select 'Essential Tasks Module Tasks 1, 2 and 4' and repeat at each visit.
- Assessment of basic laparoscopy skills at ST2 OSCE in March/April on Laprotrain simulator

## ST3

- Mandatory tasks to complete on the virtual reality (Lapsim) simulator
- (minimum attendance - 5 sessions)
- Go to 'Procedures' in the menu
- Select 'Gynae Module' and complete cases 2 – 6 – repeat at each visit to the simulator
- After your final session - ask the unit lap sim supervisor/admin to send you the report of your progress for each of the procedures throughout the year and then attach this to your ePortfolio prior to ARCP.

## Lap Sim Locations and Contacts

- There are lapsim trainers on 7 sites throughout the region.
- You are expected to complete the modules outlined and show evidence of completion at your ARCP review.
- **We would strongly advise you book ALL sessions well in advance in order to secure access to the simulator.**
  - Contact details are below and we would suggest you email the appropriate personnel in order to organise these sessions.
  - Note there may be minor differences to how the training and induction is provided in each unit however it remains your responsibility to ensure you have completed the modules as laid out above. If you have any difficulties please contact your College Tutor
