

Job Description
Future Leaders Programme
Leadership Fellow- Safety & Quality HNY LMS

Humber Health Partnership (Hull University Teaching Hospitals) invite applications from medical trainees and Band 6+ midwives/ nurses for this future leader post for Humber & North Yorkshire (HNY) Local Maternity & Neonatal System (LMNS).

The fellow will support LMNS work for equality, quality and safety assurance for maternity & neonatal units in the region. The appointed fellow will work with maternity & Neonatal units aiming to deliver the objectives with Support from LMNS Safety group.

The NHSE has published a 3 year delivery plan for maternity and neonatal services.. The key themes are Listening to and working with women and families, Growing, retaining, and supporting our workforce, Developing and sustaining a culture of safety, learning, and support & Standards and structures that underpin safer, more personalised, and more equitable care.

The Future Leader will develop independent projects supporting key elements of the framework, aimed at safety and collective learning. They will be supported in promoting lesson sharing from Perinatal Serious Incidents, MNSI reports, Quality Indicators and Mortalities in the Humber & North Yorkshire region covering 6 maternity and neonatal units. They will develop improved ways to disseminate integrated structured learning from these and develop quality improvement projects for improvements in key identified areas to prevent recurrence and improve outcomes, including the BAPM Magnificent 7 indicators, supporting the Neonatal work of the LMNS.

The appointee will be supported by the members of the HNY Safety group including clinical & non clinical leaders, & Public representatives from Maternity Voices Partnerships and responsible officers of the LMNS.

Applicants are invited to contact Dr Aparna Manou via e-mail (a.manou@nhs.net) for further information and facilitating contact with our previous fellows.
