

**Name:**  
**Katie Wallace**

**Job Title:**

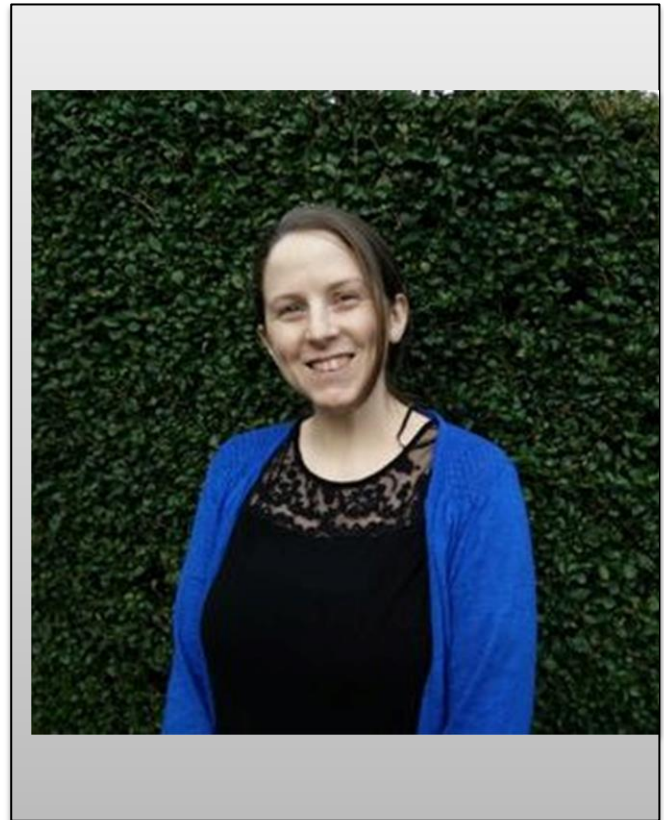

**Leadership fellow for Sheffield  
Supporting Women in Medicine**

**Supervisor:**

**Dr Susy Stirling  
Prof Sheila Francis**

**Aims of Post:**

- Maintain and development the SWiM network
- Adapt and develop an Athena SWAN charter for the NHS
- Pilot the Athena SWAN charter in the NHS

**Summary of Post:**

For SWiM I delivered the event 'Building a compassionate workforce' which was attended by 200 delegates with good feedback and 3 separate workshops. I co-supervised 10 student projects, 3 were presented at a national conference. I have co-ordinated a mentoring scheme with 20 mentor pairs.

For the Athena SWAN NHS charter I developed a project plan; including the adaptation of the existing Charter through the recruitment of a multi-professional team, gaining board approval for the pilot, establishment of 3 pilot sites, the development of an evaluation framework, engagement with national stakeholders and laying the foundation for a regional pilot at a further 3 sites.
