

# LEEDS INTERVENTIONAL RADIOLOGY ST1 SIMULATION DAY

Friday 15<sup>th</sup> July 2022 – Leeds Radiology Academy

Dear colleague,

You are invited to the Leeds Interventional Radiology ST1 Simulation Day 2022, taking place from 2pm on 15th July in the Leeds Radiology Academy.

The day is aimed at all ST1 Radiology trainees within the Yorkshire and Humber Deanery. This annual event gives trainees the opportunity to gain insight into common techniques/equipment, practice ultrasound-guided needle skills, as well as learn about career opportunities in IR. There will be senior IR trainees and Consultants on hand, as well as industry representatives.

Further details will follow in due course. Meanwhile, you are advised to make every effort to attend and book study leave asap.

We are delighted to host this event again and look forward to seeing you soon.

Sincerely,

Dr David Jarosz  
Interventional Radiology Fellow  
Leeds Teaching Hospitals
