

Name:

Simon Dewsbery

Job Title:

Leadership fellow - Ophthalmology

Supervisor:

Andy Cassels-Brown (Clinical)

Ian Simmons (Educational)

Aims of Post:

- Establish Multi-disciplinary Team Eye Academy
- Develop PGCert in Ophthalmic Management

Summary of Post:

Development of a Multi-disciplinary Team Eye Academy (MDTEA) for the Yorkshire & Humber area dedicated to training healthcare professionals in ophthalmic skills. Currently preparing for a cohort of optometrists on clinical placements for their Higher Certificate in Glaucoma. Development of the PGCert in Ophthalmic Management was not financially viable when allied with a university but may be continued as a regionally-accredited qualification.

Achievements:

'Leeds Ocular Hypertension Monitoring Scheme'
Presentation and poster - RCOphth Congress

'Should all lower complexity glaucoma patient reviews be transferred to the virtual Glaucoma Monitoring Units'
Poster – RCOphth Congress (Sustainability Prize Winner)
